

important liability information new zealand

01 April 2017 – 31 March 2018

Whilst “liability cover” insurance can be purchased from a third party* to protect you from cost of any liability in case of damage, it does not directly release you from the liability associated with hiring a **maui** vehicle.

It is a mandatory requirement for you to accept liability directly with **maui** by way of a liability deposit to cover the standard liability applicable to the **maui** vehicle hired.

All vehicles are insured for damage to the vehicle or to the property of a third party. **The standard liability option is included in the rental rate and requires a liability deposit of NZ\$7,500.** This amount is **debited** to the hirer’s credit card at vehicle collection and is refunded at drop-off provided the vehicle is returned undamaged. In the case of vehicle or property damage, part or all of the liability deposit will be retained, however you can seek reimbursement from the third party* from whom you purchased the liability cover insurance.

The liability of NZ\$7,500 can be reduced to \$0 by purchasing **maui’s** *Liability Reduction Option* or the **maui Inclusive Pack**.

Credit card administration fees also apply to the Liability Deposit and only the customer’s credit card is acceptable to use for the purpose of the Liability Deposit and the Credit Card Authority. Any type of pre-paid travel card is not acceptable as a means to provide a Liability Deposit. The credit card holder must be present and able to sign for the Liability Deposit upon vehicle collection. The credit card holder is jointly and severally liable for any damage to the rental vehicle.

Personal injury is covered in most cases through Registration Third Party insurance. **maui** does not accept any liability for personal injuries sustained during the rental nor for any loss or damage to any personal belongings or property of the customer (or any person or entity related to the customer). **maui** strongly recommend that all people travelling in New Zealand take out personal travel insurance.

Where NIL liability is present you are covered for single vehicle damage (except single vehicle rollover unless you purchase the **maui** Inclusive Pack), third party accident and cost for repair/replacement of unlimited windscreen and tyres. In New Zealand it is not compulsory for drivers to have private insurance on their own vehicles. Any breach of the exclusions will render all cover void.

Refer to www.maui.co.nz for the exclusions.

All prices quoted are in New Zealand dollars.

*Third party refers to any insurance agent providing travel insurance cover which can include liability cover for rental vehicles.

Valid from 01 April 2017 - 31 March 2018. For further details please refer to your rental agreement.
